### 1<sup>st</sup> Announcement and Call for Abstracts

#### The Meeting

The 47<sup>th</sup> Annual Western Canada Trace Organic Workshop will be held in Saskatoon, Saskatchewan, Canada, April 22 – 25, 2012. There will be a pre-registration mixer on the evening of April 22, 2012. The banquet will be held on the evening of Monday, April 23, 2012 at the Western Development Museum (<http://wdm.ca/stoon.html>).

This workshop is an opportunity to discuss and present research relating to trace organic analysis. All are invited to make 20 minute oral presentations. Poster presentations are also welcome.

The scope of topics includes analytical results and procedures for trace organic analysis of residues in food, air, water, vegetation, soils and biological matrices. Presentations on partially completed studies, method development, reports on problem areas and new analytical approaches (instrumental and sample preparation techniques) are welcome.

For updated information and past programs visit: [www.traceorganic.com](http://www.traceorganic.com)
